Request #48484 created 1 month ago ago

Help Strengthen a Bio Family 4

Client is a single mother of 3 children under 2 (6 month old twins, and a 2 year old toddler). She has been residing in a family shelter with her children for the past several months. Mother is now transitioning into an apartment. The shelter is not assisting mother with furniture nor essential household items. The organization assisting her with housing, is providing mother with an air mattress. She is starting from zero with no furniture nor baby items, as those belonged to the shelter. Mother is in need of a toddler bed for her two year old. She is also in need of a dresser for the twins' clothing, 2 baby walkers, and a couch so that the family so that the family does not sit on the floor. She is also in need of dishes/utensils. Mother will appreciate any assistance or resources available that can help her create a home comfortable for her children. She has made so much progress and fully committed to all services provided by our agency. She is trying her best to make ends meet for her family as a single parent.
